

West Yorkshire and Harrogate

FREE Advance Care Planning & Communication Skills and Bereavement Support - Facilitator Training Course

FREE places are available for a **Train the Trainer Facilitator Course** for those who work in health and social care and the voluntary sector in West Yorkshire and Harrogate Healthcare Partnership area.

- Are you interested in becoming an Advance Care Planning Champion and/or a Bereavement Support Champion?
- Do you educate and/or support staff or community groups as part of your role?

The training will be delivered virtually over **three days**
Various training dates are available during **February and March 2021**

The impact of COVID-19 has been particularly detrimental on people living in areas of greatest deprivation, on people from Black, Asian and Minority Ethnic communities (BAME) and people with a learning disability.

This training will facilitate facilitators/champions with the essential skills to have better conversations and to support the health and emotional resilience of people and communities during this time. Priority will be given to those who work in services that provide care and support for people with **learning disabilities** and/or from the **BAME** community. Those who attend will be required to cascade the training to others in their organisation and/or wider locality

To register your interest and request an application form please contact janec@st-gemma.co.uk or Janet.Millard@wakefieldhospice.co.uk Your organization will need to support your application. The closing date for applications is **Friday 12th February 2021**
