### **Fantastic News BCA FREE Membership Extended for Another 12 Months!!!!**

We are really pleased to be able to announce that with the support of Local Authority we are able to once again offer free BCA membership to all Bradford care providers for 22/23. The BCA fully understand and appreciate all the pressures providers are facing at the moment both financial and operational so we don't want to place any extra burden's on you at this time.

However, in April 2023 we will look to restart membership fee's when things have hopefully settled down. We will continue to fight for the care sector at a local, regional and national level, alongside working together with providers and system partners to develop and share best practice across the sector. The BCA membership have already demonstrated what can be achieved and the challenges we can overcome working together, we must continue to support each other in year ahead. Please take a moment to join the BCA and help to ensure the sustainable and thriving Bradford care sector of the future.
