NEW COVID 19 LOCAL RESTRICTIONS

As you will be aware, further local restrictions were announced earlier today by the Department of Health & Social Care.

Essentially, from Tuesday next week, 22 September 2020, all areas of Bradford will be forbidden from socialising with other people outside of their own households or support bubble in both private homes and gardens.

Currently, some wards in the area have been exempt from the existing local restrictions introduced at the start of August, but from Tuesday next week these exemptions will no longer apply.

We are awaiting some national guidance/details as to how this will impact on the social care sector, for example visiting restrictions and we will update you as soon as possible on Monday next week.

INFECTION PREVENTION AND CONTROL

PLANNING FOR WINTER

Many thanks to the 60% of homes that have completed the survey so far, if you haven't managed to do it, we would really appreciate it if you could complete the survey by Monday 21 September.

As part of our on-going commitment to work in partnership with care homes, we just wanted to touch base with you to understand your home's position in relation to infection prevention and control training (IPC) following the recent training initiative and the introduction of local IPC champions.

In addition, to let us know if this has been useful and if there are any other areas that we could support you with in preparation for winter pressures, alongside continuing vigilance in the light the recent COVID 19 spike.

Please respond to the brief survey by Monday 21 September by clicking on the link below:

** Re question 14 please could you indicate how often you compete audits in the other information box*

RESTORE2 TRAINING MODULE 1 DATES:

- Friday 25 September, 1-2.30pm
- Thursday 1 October, 11am-12.30pm

See the flyer in the [Provider Zone](#) for more details.

RESEARCH PROJECT SEEKING BAME PARTICIPANTS

A team of researchers led by the University of York are conducting research into older people's experiences of paying for care. They are especially keen to hear about the experiences of older people from BAME backgrounds. They would be grateful if you could forward the request below to colleagues and any appropriate carers:

If you identify as Black, Asian, and/or Minority Ethnic and you have experience of paying for care in your own home or paying for a place in a care home, we would like to invite you to take part in an interview. We would also like to invite you to take part if you are a relative/close friend of a BAME older person who has paid for their own care. More information is available in the [Provider Zone](#).

If you think you might be interested in taking part, please contact Lyndsay Lindley at lyndsay.lindley@york.ac.uk or 07552285966 by Weds 30 September.
