

## Practice Assessor Preparation - Skills for Care

This webinar and associated learning resources will prepare social care professionals to supervise and assess learners working in social care areas and students studying on a range of social care programmes including those leading to registration with the Health and Care Professions Council (HCPC).

### Training package

The training package consists of a number of learning resources and a one-hour webinar. You will need to allocate around two hours of independent directed study time to complete the pre-webinar learning. In total, this training package should take three hours.

Register for a place at <http://hud.ac/tyl> and enter password: **SFC-PAP2021**. Once registered, you should work through the learning resources prior to taking part in the webinar. Please see webinar dates and times overleaf.

### Content

The webinar provides you with an opportunity to gain an understanding of the practice assessors role whilst developing knowledge of learning styles, supporting learning in practice and accurate grading of practice.

You will explore the role and expectations associated with assessment in practice and its successful facilitation, including the concept and characteristics of a learning environment, the principles of assessment within the context of the workplace and the challenges these may present.

### Question and answer webinar

The webinar supplements the learning resources. It is designed to provide you with the opportunity to ask the presenter questions and apply learning about assessment theory into clinical practice situations.

**Amanda Firth – Amanda Firth BSc (Hons) Midwifery, MSc Midwifery, PGCE Clinical Education, SFHEA**

Amanda is a Senior Lecturer in Midwifery and course leader for the Practice Assessor Preparation Course.
