

DEMENTIA AND OPMH CLINICAL NETWORK

As a Dementia and OPMH Clinical Network we're trying out a range of different meetings and events in the hope that we can provide useful support to staff in a variety of ways during the COVID pandemic.

This Thursday 14 May 2020 from 11-12, we'll be running an interactive session 'Conversation about COVID for clinicians and carers' focused on Carer Support and Distress Behaviours.

Please do join us if you're interested in joining the discussion, sharing experiences and resources.

Each session will be attended by at least one of our clinical advisors: Dr Sara Humphrey, GPwSI in Older People and Associate Clinical Director Frailty/ Dementia and LD for NHS Bradford District & Craven CCG; Dr Rod Kersh, Consultant Community Physician in Rotherham; Chris North, Dementia Lead for Bradford District Care Trust; Dr Tolu Olusoga, Consultant Psychiatrist and Senior Clinical Director (MHSOP), Tees Esk & Wear Valley NHS FT.

We will be using Microsoft Teams to run this session. Joining details are below and please also see screenshot with some extra information about how to join a Teams meeting if you haven't before.
