

This is your **VIP Red Bag**

The bag is for all the important information about you so healthcare staff know how to treat you best

Pack your bag when you get it

Your **VIP red bag** will be ready if you have to go into hospital

There is a list of things to put in your

VIP red bag

Your **Hospital Passport** is very important to help health care staff to get to know you and to let them know if you need any reasonable adjustments

Name:

Phone number:

The **Tag** is for your name and phone number in case your bag is lost

  **VIP Red Bag Feedback form** 

The **VIP Red Bag** is to help People with a Learning Disability to have a safe and good experience when being at the hospital.
If you tell us about your experience with the VIP Red Bag. This will help to make hospital care and support better for everyone

Are you the: (Who is filling in this form?)	 Patient	 Family Member	 Supporter	 Comment
Please Tick <input checked="" type="checkbox"/>				
Which Hospital were you at?	 Pinderfields (Wakefield)	 Dewsbury	 Pontefract	
Please Tick <input checked="" type="checkbox"/>				
 Dates you were at the hospital:				

Feedback Form

Please fill in the feedback form and send it back to us. This will help us to get lots of information about what people think about the **VIP Red**
