

Level 3 Diploma in Health and Social Care

Help and empower others to reach their full potential with our 9 month Health and Social Care Level 3 Diploma aimed at those on a path towards a senior position

What will the diploma include?

- ③ How to deliver care in a variety of settings, such as residential care homes and care-at-home services
- ③ How to undertake day-to-day services and best support your team
- ③ Quality workplace training from our team of experts
- ③ How to successfully improve your client's quality of life
- ③ How to provide frontline leadership, supervision, guidance and direction to others

How is the diploma delivered?

- ③ You will take mandatory modules so you have a broad understanding of health and social care
- ③ You will also have the option to choose additional modules relevant to your workplace such as dementia care
- ③ The course will be assessed through various methods and observations and reflective accounts
