SUMMARY OF FINANCIAL SUPPORT MADE AVAILABLE TO INDEPENDENT CARE SECTOR PROVIDERS THROUGH THE COVID-19 PANDEMIC

As part of the Adult Social Care COVID-19 Winter Plan 2020, Councils are required to maintain information about the financial support they have offered to their local adult social care market. We have produced a summary the additional funding provided through Bradford Council since March 2020 to support Providers in their response to the COVID-19 pandemic. This document can be accessed via the [Provider Zone](#) and will also be published on the Council's website.

BRADFORD ACCOMODATION BASED VISITING GUIDANCE

This guidance has been created to support all CQC registered services, which include residential care without nursing, residential care with nursing, etc., to facilitate safe outdoor and window visiting for the people they support. All Care Homes must make every effort to facilitate such visits for all people who have a genuine want or need to promote people's wellbeing by maintaining meaningful contacts with Essential Family, Friend and/or Carer.

You can access and download this guidance with additional documents by clicking [HERE](#).
