PROVIDER BULLETIN

Tuesday 06 April 2021

NHS BRADFORD DISTRICT AND CRAVEN CCG

The CCG have commissioned a company to undertake a large number of reviews on behalf of Personalised Commissioning Department.

Providers may be contacted as part of this piece of work. A lot of the reviews will include home support providers but they will also need to inform all other care providers including supported living and care homes as some of the service users that will be reviewed are in various placements. The reviews will include PD, MH and LD service users and some are jointly funded with the LA.

Please see attached letter in the [Provider Zone](#) for more details.

DAILY NEWS AND KEEPING WELL TIPS!

Inclusion North will give you the Government's big messages each week. To access, see attached document in the [Provider Zone](#).

WEBINARS ON ASSISTIVE TECHNOLOGY

Digital Social Care, Skills for Care and Sight and Sound Technology are introducing a new webinar series designed to inform adult social care providers about the range of assistive technology available to support people who are visually challenged or who have visual processing or other sensory challenges.

This series has been designed to support and inform adult social care providers (residential and non-residential settings) about the range of assistive technology available to help support older adults, people living with mental health challenges or people with learning disabilities.

The first session Exploring the World of Assistive Technology will take place on Thurs, 22nd April, 15:00-16:00. If you are available you are very welcome to attend.

The event listing is available here:

END OF LIFE CARE TRAINING for Health and Social Care Support Workers

Bands 1-4 working in West Yorkshire and Harrogate

Tele-education sessions via Zoom

- Do you look after patients/clients at the end of life?
- Do you support patients/clients and those important to them to start to think about their care as they become less well?
- Do you want to gain more skills and knowledge around end of life care and having those challenging conversations?

– Then these courses are for you.

Free places are available for health and social care staff, bands 1-4, working across **West Yorkshire and Harrogate** and who work in **any care setting**, to attend virtual interactive education sessions around 4 key end of life areas:

- **Supporting personalised and advance care planning discussions at the end of life**
- **Difficult conversations at end of life**
- **Care of patients in last weeks and days of life**
- **Bereavement and loss (including self-care)**

(You can attend these as standalone sessions or attend all 4 areas. This training is free and has been funded by the West Yorkshire and Harrogate Support Staff Workforce Development Funding (SSWDF))

Dates and times: (choose only one date and time for each session)
