

GRIEF AND LOSS SUPPORT

A new support service has been set up for anyone who lives in the West Yorkshire and Harrogate area suffering any form of grief and loss, or worried about losing someone, whether this relates to a loved one, family member, friend or member of the community.

The service has been set up by the West Yorkshire and Harrogate Health and Care Partnership and is being run by West Yorkshire and Harrogate Independent Hospices Consortium, Bradford Bereavement Consortium and Leeds Mind.

The **Grief and Loss Support Service** offers practical and emotional support and advice, and will also be able to signpost you to further specialist support near to where you live for additional help where needed.

Support is available from 8am to 8pm, 7 days a week. You can phone or chat to someone online.
