

Get Involved with Census 2021 in Bradford - Seminars

Supporting people to make sure everyone is counted

Every ten years, the census provides a unique snapshot of our society. The next census is happening on 21 March 2021. Every household will need to complete the census and so we are asking community organisations, volunteers and faith groups to get involved before Census Day and come along (online) to one of our seminars.

By taking part and encouraging others to do the same, you'll help make sure your community is counted in decisions on services and funding.

The seminars are 1 hour sessions that will allow you to

- Find out the range of support available and so signpost people to the most helpful support.
- Explain how the ONS will keep people's information secure.
- Understand why every part of Bradford needs to be counted.
- Ask any questions you have.

Suitable for

- Volunteers supporting people isolated by COVID.
- Professionals working in public facing services who may be asked about the census.
- Community organisations who want to offer targeted support to their service users.

To book please click the host for the seminar and email them to say which session you would like to attend. The seminars will be run using google meet.

Very many thanks for your help and support with making Census 2021 a success for the people of Bradford. We look forward to meeting you.

Kind regards

Julia and Trevor
