

## Covid-19 Additional Questions

Additional testing questions that focus on Covid-19 Status of individuals being discharged from an NHS Trust, are now included and are applicable to Care Homes, Substance Misuse and Hospice Providers. NB: The wording has changed from **‘today’** to now include **‘today or since you last updated’**. This is to ensure that data is captured from days which a provider may not have updated.

Simply click on the relevant tile from your home screen.

Accessing via this way will present you with one of the following screens below.

Care Home	Services	Costs, Vacancies and Business Continuity	ASC / Infection Control	Contracts	Surveys
Cranberry Care Home (OX3 2RX)Edit	Services offered	Costs, Vacancies and Business Continuity	ASC	Contracts	<a href="#">Proxy Ordering</a> <a href="#">Syringe Pumps</a> <a href="#">NCF</a> <a href="#">Test Survey</a>

Provider	Bed Types	Vacancies and Business Continuity	Surveys
Cranberry Hospice (OX3 2RX) Edit	Bed Types	Vacancies and Business Continuity	None

Provider	Bed Types	Vacancies and Business Continuity	ASC / Infection Control	Surveys
Cranberry Substance Misuse (OX3 2RX)Edit	Bed Types	Vacancies and Business Continuity	ASC	None

From the displayed screen select one of the following headings aligned to your provider type

Costs, Vacancies and Business Continuity

**For Care Homes**

Vacancies and Business Continuity

**For Hospices & Substances Misuse**

## COVID-19 Recovery / Testing

Residents

Discharge Testing

How many Residents have been admitted to your location from an NHS Trust (following an inpatient stay) 0  
Today or since last update

of those admitted, number who were tested 0

of those tested, how many tested COVID POSITIVE 0

of those tested, how many tested COVID NEGATIVE 0

of those tested, how many are AWAITING RESULTS 0

of those admitted, how many were known NOT to be TESTED 0

of those admitted, how many have an UNKNOWN test status 0

Where known NOT to be tested is selected, please select the Trust(s) where the Residents have been discharged from to your location (Please select all those that apply)?

Select options ▼

COVID-19 Monitoring

Overall number of residents with COVID19 (suspected or confirmed) currently in the care home 0

Number of residents NEWLY SUSPECTED with COVID-19 0

Number of residents NEWLY CONFIRMED with COVID-19 0

Number of these residents that were admitted from outside the care home (NOT an NHS Trust) 0

Total COVID-19 Residents originating in the care home Today 0

Days since last suspected/confirmed COVID-19 infection (residents/staff) 16

Both these data fields will populate from answers given below

There are 3 additional questions – all relating to residents admitted to your location from NHS Trusts.

1. How many residents have been admitted to your location from an NHS Trust (following an inpatient stay) **today or since you last updated**
2. Of those admitted, number who were tested

The answers to 1 and 2 will be populated from answers provided about the **discharged residents** – see below – insert the number of residents that have been admitted to your location for each category e.g. tested Covid Positive, tested Covid Negative, Awaiting Results, Not Tested or Unknown test status

2

of those tested, how many tested COVID POSITIVE	0
of those tested, how many tested COVID NEGATIVE	0
of those tested, how many are AWAITING RESULTS	0
of those admitted, how many were known to be NOT TESTED	0
of those admitted, how many have an UNKNOWN test status	0

3. Where residents **are known NOT to be tested**, please select the Trust(s) from where the resident(s) has been discharged to your location (choose one or more Trusts that appear in the drop down menu). Where residents have been accepted from outside of England (e.g. Scotland, Wales) please select the appropriate check box,

Where known NOT to be tested is selected, please select the Trust(s) where the Residents have been discharged from to your location (Please select all those that apply)?

Other - Scotland

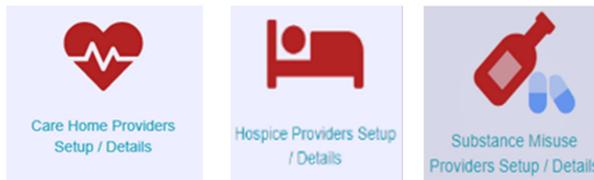

Other - Wales

## Flu Vaccinations

New Flu vaccinations questions have been added to the Business Continuity Section and all information within this section should be updated daily by Care **Homes, Substance Misuse Providers and Hospice Providers.**

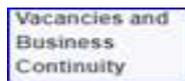

From the Main menu you can access by clicking on the most appropriate tile below

From the displayed screen select one of the following headings aligned to your provider type

**For Care Homes**

**For Hospices & Substances Misuse**

From the next screen scroll down the page past the Covid-19 Recovery section until you reach the flu vaccination questions shown below

**Flu Vaccinations**

<b>Number known to be immunised</b>	<input type="text" value="0"/> <small>Residents</small>	<input type="text" value="0"/> <small>Directly Employed Staff</small>	<input type="text" value="0"/> <small>Agency/Bank/Volunteers</small>
<b>Number known NOT to be immunised</b>	<input type="text" value="0"/> <small>Residents</small>	<input type="text" value="0"/> <small>Directly Employed Staff</small>	<input type="text" value="0"/> <small>Agency/Bank/Volunteers</small>
<b>Number where status is unknown</b>	<input type="text" value="0"/> <small>Residents</small>	<input type="text" value="0"/> <small>Directly Employed Staff</small>	<input type="text" value="0"/> <small>Agency/Bank/Volunteers</small>
<b>Have you experienced any delays or issues accessing the vaccination for your residents/staff?</b>	<input type="button" value="Yes"/> <input checked="" type="button" value="No"/>		

You will see that these have been split across 3 groups. Insert the applicable number of people against each column for residents, staff or agency/bank/volunteers for each category:
