This Thursday we highlight one of the many exciting features of the Bradford Training Hub.

Remember, as a provider in the Bradford District, you have access to your very own branded Hub platform free of charge for 12 months, that will come pre-loaded with 14 accredited courses from the Skills for Care Centre of Excellence Altura Learning and additional training courses created by the Council.

Manage and log all your Face to Face training!

The Hub comes with an easy-to-use tool to manage and record all your face to face training – so that all your training records are in one accessible place. Invite your staff, print off attendance sheets, mark as complete and more. You can even input webinar details to run sessions for those staff who cannot attend the office. With all your training records on one system, reporting will be done quickly and with ease when required.

You can register your interest in accessing the Hub here:
